

Welcome to the International Turicum Open 2015

Dear floorball friends

After three successful editions in 2008, 2010, and 2012, we decided to organise a fourth edition in May 2015. The tournament shall again take place in Egg near Zurich. Our goal is – once again – to present a great floorball tournament with special teams in a friendly atmosphere, similar to the ice hockey Spengler-Cup in Davos. Egg is situated between the lake of Zurich and the Greifensee, about 15 km distant from Zurich (easy reachable by public transport).
